

Trip of Bake for Life ambassadors

During lectures, events and other contact moments in The Netherlands people often ask us: In what way does the Bake for Life Foundation make the difference? For this reason we organized a trip for ambassadors. It was an amazing trip with many unforgettable moments. One of the travelers

told us afterwards: ‘The slogan: disability is not inability will always be in my heart’. For this reason we decided to organize an ambassadors trip for this year as well. We will leave on the 26th of October 2017. We will visit all our bakeries and many projects in one week. During the trip we also do some jobs as painting a part of a bakery. It is also possible to lecture the employees of the bakeries. It is possible to join for this trip. In case you need more information, please send an e-mail to: ronneke@bakeforlife.nl.

Donation plan

The first quarter of the year is a fact. A new year with good intentions! Did you have good intentions? Stop smoking, play more sport? Or is it your intention to donate for a foundation? As an employee it is possible to donate every month one, two or five euros of your salary to the Bake for Life Foundation. Many companies work with this concept. In case you need more information about this subject, please send an e-mail to: ronneke@bakeforlife.nl.

Date running/biking tour

This year the running/biking tour will be organized on June 24, 2017. This event will take place at Avenhorn. All participants ask companies to support them. The revenues will be donated to the Bake for Life Foundation. Bakery Pater is the organizer of this event. Additional information will be published on our website and at Facebook.

Banana bread

Our sponsor BBROOD developed a delicious piece of bread: banana bread. €0,50 of every sold piece of bread will be donated to the Bake for Life Foundation, especially to BISS bakeries. Many pieces have been sold. Thank you very much for this gesture.

Video

With many volunteers we work hard to achieve our goals! Watch this movie of Jane, one of the employees of the Tororo bakery. Due to the Bake for Life Foundation she was able to change her life.

This movie was made by our sponsor Hatogkrøller from Leeuwarden (Holland). Mr. Eduard Rekker of this company was one of the ambassadors who travelled with us to Uganda in October last year to visit several Bake for Life projects.
